

GRANGE INFANT SCHOOL

ACCESSIBILITY PLAN

Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum, expanding the curriculum as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils. This covers teaching and learning and the wider curriculum of the school, such as participation in school clubs, off-site visits and cultural activities in school. It also covers the provision of specialist **aids and equipment**, which may assist these pupils in accessing the curriculum.
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils, staff, parents/carers and visitors with disabilities. Examples might include handouts, timetables, text on screens and information about the school and school events. The information should be made available in various preferred formats as the need arises.

At Grange Infant School we aim to treat all our pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

We aim to develop a culture of inclusion and diversity in which people feel free to disclose their disability and to participate fully in school life. In this way, we look to the key relationships that our school has secured and maintained with the wider range of people to whom disability equality is owed. It is this sharing of experience and knowledge that can only serve to strengthen our commitment to the equality of our provision and the identification of ways to overcome barriers.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues. The school supports any available partnerships to develop and implement the plan.

We have included a range of stakeholders in the development of this accessibility plan, including parents/carers, staff, children and governors of the school.

If you have any concerns relating to accessibility in school, please raise your concerns with the Headteacher, Sam Myers.

Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

Monitoring arrangements

This document will be reviewed annually and new plans will be drawn up every **3** years. It will be approved by the governing body of the school.

Links with other policies

This accessibility plan is linked to the following policies and documents:

- Health and Safety policy
- Equality, Information and Objectives policy
- SEND information report
- Supporting Pupils with Medical Conditions policy

Action Plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.
