Water Bottles for Every Child!

Dear Grange Families,

I hope you all had a restful summer and enjoyed time with family and friends.

It has been so lovely to welcome our Year 1 and Year 2 children back and we can't wait to meet our new Year Rs soon!

I wanted to let you know about the changes we have made regarding water bottles. We have decided to provide one bottle for every child at school, using school funds. This will ensure that every child has access to water at all times in their classroom and that bottles are less frequently forgotten or left at home. Under health and safety, this will also avoid the risk of bottles being smashed or broken and will protect against any allergies such as flavourings or colours in squash.

The bottles will remain in school and be emptied daily and cleaned. Bottles are clearly labelled with the child's name and be kept in the class in easy reach of the children.

If you have any further questions, please speak to your class team.

Thank you,

Miss Myers

At Grange Infant School, we are committed to providing a safe, inclusive, and supportive environment for every child and their family. If you require any reasonable adjustments to attend meetings, receive communication, or access school events, please do not hesitate to let us know—we are happy to work with you to ensure your needs are met. Should you have any questions or concerns, please feel free to contact the school office.
