Conduct on our School grounds

Dear Grange Families,

It has come to my attention that our playground is seeing an increase in anti-social behaviour from teenagers within the local and wider area. These teenagers are, on the whole, siblings of pupils here but I am aware that some are not and do not have a current link to our school.

For those families who have older children who either collect younger siblings or who wait with you, I will remind you that you are responsible for their behaviour, whilst on our school grounds. They must remain with you at all times and endeavour to be good role models to not only their younger siblings, but also to all of our children at Grange Infants. Please can I ask that you respect the following:

- No swearing, shouting or threatening behaviour
- Vaping is strictly prohibited.
- Bikes must not be ridden on the school grounds
- Filming or taking photos on our site of **anyone** is strictly prohibited

Any breach of the above could result in the teenager being asked to leave our school site and ultimately banned from entering our playground. Their schools will also be contacted with details.

Grange Infants is at the heart of our community and is known for being a happy and welcoming place for everyone. I will not allow any child, regardless of age, to feel unsafe or worried when they are here.

I know I can trust you all in ensuring that these behaviours stop and I thank you in advance for your continued support of our school.

Best wishes,

Miss Myers Headteacher
