Monday 9th September 2024

Dear Families,

As part of my role in school I am responsible for supporting our Service children and I am currently looking at different ways in which I can offer this support. I am aware that many of our children currently have a loved one who is deployed and this can be a particularly difficult and emotional time. There will also be lots of children whose loved one is only home at weekends or is away regularly but not necessarily deployed. The more information I have, the better the support I can offer your child so please can I ask all of our families to complete this short questionnaire and return it to your class teacher as soon as possible, even if you feel your child doesn't need additional support.

If you have any questions or need to talk to me about anything, please feel free to message me on Dojo.

Thank you for your cooperation.

Kind regards,

Mrs Russell
