5th September 2024

Dear Parents,

We are pleased to confirm that we will have a range of animals visiting Year 2 on **Thursday 10th October**, as an enrichment activity for the children to enhance their learning about their topic of "Would you prefer to be a dragon or a hamster?" from the company Raptorxotics.

The cost will be **£6.50** per child and includes a presentation by the animals' handler.

As part of the visit the children will have the opportunity to look at and touch some of the animals. Please indicate on the form below if your child cannot touch or be around animals due to allergies. Please also indicate if you think your child might be anxious about this experience.

Please send in the money and the reply slip by Friday 27th Sept. Do not hesitate to come and see us if you have any questions or worries. For more information please see the visitor's website. <http://www.raptorxotics.co.uk/>

Year 2 Team
