21<sup>st</sup> February 2024

Dear Parents,

You have probably already seen on class Dojo that on the morning of Wednesday 28<sup>th</sup> February we will be having a pet morning as part of our animal topic "Paws and Claws". We have found in the past that Grange families have many pets at home including some very unusual ones! If you have any kind of pet and think that it would be happy to be looked at and possibly touched by lots of children and would be willing to bring it in on this date we would very much appreciate it! You will need to stay with your pet while the Year 1 classes come round and see all the animals. Please drop your child and stay with your pet from 8.45. We will do the registers then rotate the classes. We will be finished by 10.30

This day has always been a great success in the past due to the kindness of parents willing to help us out. If you have got a pet you could bring, please can you let your class teacher ASAP. Many thanks!

While we never make children touch or hold any animal they don't want to, we need to know if your child has any allergies eg fur, feathers etc **Please** fill in and return the form if this is the case.
