

English

We will be reading a selection of stories about journeys, both fiction and non-fiction. We will be using these to help us write a new story ending and a non-chronological report about the Titanic.

We will continue to develop our skills in:

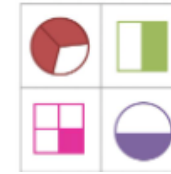

- Presentation/ handwriting
- Spelling & Punctuation
- Writing in past tense.
- Using adjectives to describe.

Please read with your child 3 times a week.

Maths

- Partitioning
- Fractions of shape
- Fractions of number
- 2 step problems
- Addition & Subtraction

Don't forget to try out Mathletics!

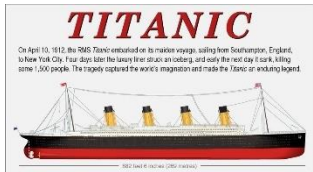

Art

We will be studying the artist Georgi Kolarov and then drawing and painting The Titanic using different painting skills and art tools.

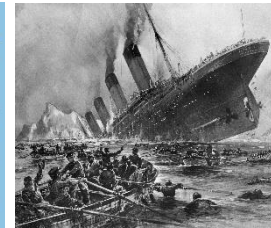

History

We will be using our historical enquiry skills to find out about the journey and events of the Titanic; when it sailed and why it sank.

Let's Take a Journey!

Year 2 Spring 2

Science

This half term we will be looking at Materials and their properties. We will also be using our investigation skills to look at which materials float and sink and why.

Music

The Blackbirds will be studying Portsmouth by Mike Oldfield and making music with percussion instruments.

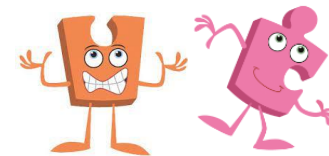

The Owls will be learning Bamboo Tamboo with Hampshire Music Services!

Religious Education

Following the Living Difference Syllabus, we will be thinking about 'happy' and 'sad' as an emotions through the Easter story.

PSHE- Dreams and Goals.

We will be covering Healthy Me and all aspects of how we can keep healthy, including some healthy snack making!

P.E

We will be practising our team games by playing hockey and creating a water dance.
