

## English

We will experience a variety of texts this half term

We will be using these texts as a stimulus for our writing. We will be learning the important parts of a sentence (full stop, capital letters, finger spaces) and build our confidence and independence.

Please aim to read with your child at least 3 times a week.

## Maths

We will be using a range of different resources to explore the following:

- Number bonds to 10 and 20
- 2-D and 3-D shapes
- Addition
- Subtraction
- Place Value (tens and units)

## Geography

We will be looking at our school and local area. We will be talking about where we live. We will explore human and physical features and compass points.

We will be going on a local area walk.

## Science

We will begin our long-term study 'How do the seasons affect trees in our school?'

We will be learning about our bodies and the food that we need to keep healthy. We will be using our 5 senses to complete different activities and think about how our senses keep us safe.

## Who lives in a place like this?

## 2025 Year 1 Autumn 1 Overview

## P.E - Wednesdays

Gymnastics

## Computing

We will be using the ICT suite. We will practise logging on and logging off the computers. We will improve our keyboard and mouse skills.

## Art and Design Technology

We will be designing and making a cereal and cereal box for the Big Bad Wolf, so that he will be full up and not eat the 3 little pigs!

## Religious Education

We will be looking at 'special places'. We will share our ideas about our own special places. We will be visiting St Mary's Church, Rowner.

## PSHE Being me in my world

We will be learning about our rights and responsibilities and working with other people.
