Wednesday 25th February 2026

Dear Parents,

As part of our new topic in Spring 2 'Paws and Claws' all about animals, we will be having

A pet morning on Thursday 12th March!

We have found in the past that Grange families have many pets at home including some very unusual ones! If you have any kind of pet and think that it would be happy to be looked at and possibly touched by lots of children, we would love you to bring it in on the date above. You will need to stay with your pet while groups of children from the Year 1 classes come round and see all the animals. If the weather permits, dogs are visited on the playground whilst the other animals are inside. Please drop your child to their classroom as usual and stay with your pet from 8.45am. We will do the registers and then rotate the groups around. We expect to be finished by about 10.30am.

This day has always been a great success in the past due to the kindness of parents willing to help us out. If you have got a pet you could bring, please can you let your class teacher know as soon as possible via Class Dojo. Many thanks!

While we never make children touch or hold any animal they don't want to, we need to know if your child has any allergies eg fur, feathers etc.

Please fill in and return this online form [Year 1 Pet Day - Thursday 12th March – Fill in form](#)

At Grange Infant School, we are committed to providing a safe, inclusive, and supportive environment for every child and their family. If you require any reasonable adjustments to attend meetings, receive communication, or access school events, please do not hesitate to let us know—we are happy to work with you to ensure your needs are met. Should you have any questions or concerns, please feel free to contact the school office.
