

## English

We will be reading a selection of fairy tales and twisted fairy tales to help us create our own mixed up fairy tales.

We will continue to develop our skills in:

Presentation/ handwriting

Spelling & Punctuation

Writing in past tense.

Using adjectives to describe.

Please aim to read with your child 3 times a week or try out Oxford Owl online.

## Maths

Adding & subtracting

Time

Fractions

Measure

Don't forget to try out Mathletics.

## Art and Design

### Technology -

We will be designing and sewing finger puppets in DT for our fairy tale characters.

## Geography

We will be studying the local area and comparing it to Utah in the United States. We will compare

human and physical features through various fieldwork activities and even go on a real hike. We will be

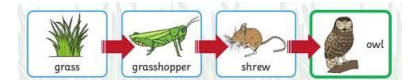

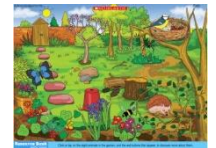

practising our map skills too.

## Who's that trip trapping over my bridge? Year 2 Spring 1 Overview

## Science

This half term we will be looking at habitats of different animals. We will also learn about producers and consumers and use this information to complete some food chains.

## Computing

We will be using a programming device called scratch.

Children will be able to build an algorithm to animate their character.

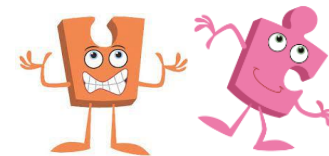

## Religious Education

Following the Living Difference Syllabus, we will be learning about the festivals of Harvest and Holi and how they are celebrated.

## PSHE- Dreams and Goals.

We will be covering -Dreams and goals and how we can work together to achieve these.

## P.E

We will be practising our racket skills and completing some health and fitness circuits.
