

Friday 22nd March 2024

Dear Parents/Guardians,

To celebrate the end of our topic 'Fun on the Farm' and to further enhance the children's learning, Mill Cottage Farm will be visiting the children on

Friday 19th April

This will be an exciting opportunity for the children to have a fantastic hands on experience. This day will involve the children seeing, feeding and holding a variety of farm animals. This is such a wonderful day and the children that have participated in the past still hold onto the fond memories.

We are giving you plenty of notice of this trip as **a payment of £5 is required** to cover the cost of the day. We appreciate that this is expensive, however the joy and learning the children gain from such experiences is second to none. If you do not wish for your child to participate, please speak to your class teacher and a full curriculum will be provided at school for the day.

On the day, children will need:

- Full school uniform with a coat and sensible shoes (that could get muddy)

Payment is due by **Wednesday 15th April** please as we have to pay the Farm before they visit. A payment plan can be arranged with the office if needed, please speak to one of the admin team.

Many thanks
The Year R Team.
